

JNEC/TPO/2021-22/CPD\_56

Date: 10<sup>th</sup> August 2021

**CAMPUS PLACEMENT DRIVE**  
by

**DataStack Technologies Pvt. Ltd**  
**For B. Tech – CSE & IT 2021 and 2020 batch**

**Date/Time/Venue:** *will be communicated*

**Eligibility Criteria: B. Tech- CSE & IT 2020 & 2021**  
**No % Criteria**

**DataStack has to offer:**

- A world-class development environment and working culture.
- Intensive cutting-edge technologies to work on.
- Remote Work from anywhere in India.
- Very challenging development projects where you will learn more in one year what might take several years in a large firm.
- An intensive training program during the probation period.

**Skills Required:**

- Should be conversant with at least one programming language like C++, C# or Java
- Experience in web technologies like HTML, CSS, JavaScript will be a huge plus.
- Ability to quickly learn new technologies
- Willingness to work hard and unrelentingly focused on deliverables.
- Mastery over English or communication skills are NOT required. We are looking for people with a passion for technology and engineering.
- Willing to go through an intensive training period of 4-8 weeks depending upon their skill sets before formal induction.
